HOSPITAL BENEFITS

Effective 1st Jan 2014

Private Hospitals

Westfund has agreements with numerous private hospitals throughout Australia covering theatre fees and hospital accommodation costs for most procedures. Hospital policies do not provide cover for treatment for which Medicare pays no benefit eg. Non-Therapeutic Cosmetic Surgery, or if disallowed under the Private Health Insurance Act 2007.

Where no contract exists with a private hospital, benefits are payable at a default rate determined by the Government. In these cases, out of pocket expenses may be incurred.

We recommend that members check with us prior to admission to hospital to ensure they are covered. Hospitals which have agreements with Westfund are listed at www.westfund.com.au or details can be obtained by calling Member Services on 1300 552 132.

Public Hospitals

In a public hospital, you will receive cover for accommodation and your choice of doctor.

Surgically Implanted Prostheses

Westfund will pay benefits for surgically implanted prostheses up to the approved benefits in the Government's Prostheses List and in accordance with the requirements of the Act.

Excesses / Copayments

An excess applies for overnight stays in a Public or Private hospital. Excess for Singles - \$250 per calendar year. Excess for Couples and Families - \$250 per adult per calendar year. Each adult pays \$250 towards the cost of their first hospital admission for which they stay overnight. Excess does not apply to admission due to an accident, same-day procedures or admission of a dependant child.

Co-payments do not apply to this policy.

MEDICAL TREATMENT

Medical Specialist

Westfund pays benefits for the fees charged by a doctor, surgeon, anaesthetist or other specialist while you are in hospital. Medicare pays 75% of the Commonwealth Medical Benefits Schedule (CMBS) fee and Westfund pays the additional 25% up to the CMBS fee. Where the fees charged exceed the CMBS fee, Westfund will pay an additional benefit to reduce or eliminate out of pocket expenses where the doctor or specialist has participated in our Access Gap Scheme. No benefits are paid for non-therapeutic cosmetic surgery.

Our Access Gap Scheme allows patients with hospital cover to eliminate or reduce out-of-pocket expenses for medical gap payments for in-patient hospital treatments. Westfund does not pay an amount charged by your doctor above the CMBS fees unless your doctor agrees to participate in the Access Gap Scheme. If a doctor does not use the Access Gap Scheme, patients will be responsible for any additional charges. Doctors are independent of Westfund and each doctor can choose on a case by case basis whether to participate in the Access Gap Scheme.

Please visit our website www.westfund.com.au or contact any of our branches for further information on Access Gap. We encourage members to contact us before their scheduled appointment to any referred medical specialist.

AMBULANCE

Ambulance Transport

Westfund fully covers the cost of medically necessary emergency transport by ambulance in Australia either through covering the cost of State government levies or by covering the account. Non-emergency transport is not claimable from Westfund unless medically justified.
