Australian Unity

# Extras cover that feels like it's made just for you

At Australian Unity, we think the best health cover is one that perfectly suits you and your budget. Our Starter 60% has you covered for the basics of dental, optical and physio. And if you think you'll need more, simply add the extras covers that suit your needs.

If you can't decide which to pick, then choose Platinum 80%. This premium cover lets you claim more back and enjoy higher yearly limits.

## Starter 60%

Cover for all the basics including dental, optical and physio.

**\$600**

### General and preventative dental

Covers examinations, most fillings, teeth whitening and simple extractions. Preventative dental includes scale and clean, fluoride treatments and mouth guards.

**\$300**

### Physiotherapy

Includes sports physiotherapy and hydrotherapy.

**\$150**

### Optical

For prescription glasses, contact lenses or repairs provided by a recognised optometrist in private practice.

## Smile

Increase your general dental limit and get money back on a complete range of dental services, plus access to our No-Gap Dental Network.

## Waiting Periods

A waiting period is the number of months you have to wait after joining or upgrading, until you can make a claim for a service or treatment. Remember, if you transfer to Australian Unity from another health fund and your previous cover was of a similar or higher level of extras cover, you won't re-serve any waiting periods. Waiting periods for our extras covers are:

|  |                  |
