Want cover for all the essentials, plus maternity? Choose GoldSaver Hospital.

GoldSaver is HIF's intermediate private hospital insurance option, covering all the essentials for young couples and families.

Who is GoldSaver for?

GoldSaver is the ideal choice for young families and couples planning a family. It covers all the must-haves, as well as maternity services, but without paying for things that younger people are less likely to need, like cardio (heart) procedures or joint replacement surgery.

We're all about choice

Unlike some health insurance funds, HIF believes in your right to choose your own healthcare providers. We say you're free to seek treatment wherever you like, anywhere in Australia, and we'll never penalise you for doing so.

- Choose your preferred private or public hospital
- Choose your preferred doctor or specialist
- Feel safe in the knowledge you're covered for things like accommodation, in-patient services and theatre room fees.

What's included?

- ✓ Shared room in a private or public hospital
- ✓ Private room for maternity services (up to three days)
- ✓ Maternity
- ✓ Intensive care
- ✓ Theatre care
- ✓ Same-day accommodation
- ✓ Same-day theatre
- ✓ Appliances
- ✓ Prostheses
- ✓ Pharmacy drugs
- ✓ AccessGap Cover.

What excess applies for GoldSaver?

An excess is the amount you pay towards your eligible hospital treatment, after which we take care of the rest. For GoldSaver, there's a standard \$200 excess per person per admission (up to a maximum of \$400 per year).

What's AccessGap Cover?

Doctors can charge more than the Medicare Benefits Schedule (MBS). And if they do, their patients without gap cover insurance will incur an out-of-pocket expense for the difference between the fee charged and the MBS.

The good news is that AccessGap Cover, our medical gap arrangement, minimises or even eliminates these out-of-pocket expenses for medical services you receive as an in-patient in a registered overnight hospital or day facility.

That said, you need to bear in mind that Australian doctors can nominate to opt in or out of AccessGap, so it makes sense to check in advance. You'll find a list of registered participating specialists on HIF's website – hif.com.au – or simply ask your doctor or specialist if they will treat you under the AccessGap Cover arrangement.

What about waiting periods and pre-existing conditions?

All health funds have to enforce waiting periods. It's the only way we can protect our members from people who simply join our fund to claim large amounts and then leave. However, we try to keep waiting periods to a minimum.

That's why, if you switch to HIF from another health fund, we'll honour your full length of membership with your previous fund, (meaning you won't have to re-serve any unnecessary waiting periods).

If you aren't switching from another fund, the waiting periods for GoldSaver are:

- 2 months for general hospitalisation claims
- 12 months for all obstetric-related services
- 12 months for all treatments related to a pre-existing ailment or condition.

A Pre-existing Condition (also sometimes referred to as a Pre-existing Ailment) is defined by law as any ailment, illness, or condition that you had signs or symptoms in the opinion of a medical practitioner appointed by the fund existed of during the six months before you joined a hospital table or upgraded to a higher hospital table. This rule applies whether the ailment, illness or condition was known to the member or not.

What's excluded from GoldSaver?

- ✗ Gastric banding and obesity surgery
- ✗ Cosmetic services*
- ✗ Services not covered by Medicare
- ✗ Ambulance (except for emergency services applicable under NSW & ACT legislation).

* 'Cosmetic Services' refers to any treatment that's deemed to be cosmetic by Medicare and does not attract a Medicare rebate.

Are there any restrictions?

With GoldSaver, we pay a basic benefit (known as the public hospital rate) towards accommodation charges* for the following services:

- Assisted reproductive technology (e.g. IVF)
- Cardiac (heart) conditions, procedures and monitoring ^
- Eye surgery (non-cosmetic)
- Joint replacement
- Psychiatric
- Surgery by podiatrists (Hospital Accommodation only - no benefit is paid on the charges raised by the podiatric surgeon).

* All other charges raised by the hospital during the stay will be paid by the member.

^This includes things like heart bypass surgery, angiograms and coronary care.
