Limits on Cover

You need to be aware that cover under this Policy contains limits. A summary of the key limits is set out in this PDS.

Please note that We will not provide cover for a family member under any section of the Policy unless named on the Certificate of Insurance. Where a member of Your family is named on the Certificate of Insurance We will only provide cover for the events that apply to them under the Policy. Full details of Your cover is set out in the Policy Wording.

Pre-Existing Conditions

Your Pre-Existing Conditions are excluded under this Policy. However, You can seek cover for Your Pre-Existing Conditions during the application process by completing a medical assessment. If We are able to offer cover, an additional premium will be payable.

We consider any medical or physical conditions, symptoms or circumstances which You are aware of, or a reasonable person in Your circumstances ought to have been aware of, prior to Your Start Date of Insurance to be Pre-Existing Conditions. This is regardless of whether or not a diagnosis has been made. If Your Pre-Existing Conditions are undiagnosed, We are unable to assess them and they will remain excluded under Your Policy.

Any Pre-Existing Conditions that We exclude from cover during the application process, You choose not to seek cover for, or do not tell Us about, will remain excluded under Your Policy.

Once We have provided confirmation of Your Policy, You are no longer able to declare any Pre-Existing Conditions and We will not pay any claims directly or indirectly related to these Pre-Existing Conditions.

There are also some conditions that We are unable to offer cover for. These are listed under 'General exclusions of this Policy applying to all sections'. Please refer to general exclusions 2, 3, 4 and 5 (page 10), the 'Pre-Existing Condition' definition (page 8), and Our 'Diagram to Help You Understand Pre-Existing Conditions' (page 2).

Controlled Conditions

There are some conditions that We automatically cover under this Policy. These are listed under the 'Controlled Condition' definition. Controlled Conditions that are found to be medically related to a Pre-Existing Condition are not automatically covered under this Policy. If, during a medical assessment, a Controlled Condition is found to be related to a Pre-Existing Condition that We are unable to cover, the outcome of the medical assessment takes precedence and the Controlled Condition will no longer be automatically covered. Please refer to the 'Controlled Condition' definition (page 7), general exclusion 1 (page 10), and Our 'Diagram to Help You Understand Pre-Existing Conditions' (page 2).

Covered Conditions

A Covered Condition is:

- a medical or physical condition that You disclosed to Us at the time of completing Your application, for which We have confirmed cover in writing, and an additional premium has been received by Us; or
- an Illness or Injury that first manifests itself, or a change in a Controlled Condition that occurs, after Your Start Date of Insurance but prior to Your Start Date of Journey, for which You have notified Us, We have confirmed cover in writing, and an additional premium has been received by Us.

Please refer to the 'Covered Condition' definition (page 7) and Our 'Diagram to Help You Understand Pre-Existing Conditions' (page 2).

Your Obligations After Your Start Date of Insurance but Prior to Your Start Date of Journey

You must notify Us at info@scti.com.au of any Illness or Injury, or change in Your Controlled Condition or Covered Condition that arises:

- after Your Start Date of Insurance but prior to Your Start Date of Journey; or
- in Australia between Journeys (if You have a Multi Trip Policy).

If We are prepared to offer cover for Your Illness or Injury, or the change in Your Controlled Condition or Covered Condition, an additional premium may apply. Unless We have confirmed cover in writing, We will not pay any claims arising directly or indirectly from Your Illness or Injury, or the change in Your Controlled Condition or Covered Condition, other than where You qualify for cover under and in accordance with sections 2 – 1 or 2 – 4. Please refer to general condition 2 (page 8) and Our 'Diagram to Help You Understand Pre-Existing Conditions' (page 2).

Medical Cover

Private hospital treatment is not automatically covered under this Policy so You must first seek public hospital treatment if at all possible. Unlike a standard Australian health insurance policy, We will not pay claims for medical or dental treatment received in Australia. Please refer to 'Losses We do not cover under Section 1' (f) (page 11).

Changes to Your Journey Relating to a Relevant Person

Cover under section 2 is only available for Unexpected Events that directly relate to You or a Relevant Person. A Relevant Person is:

- each person who is a member of Your Immediate Family (located in Australia or New Zealand only); or
- Your Travelling Companion(s); or
- persons directly related to the primary purpose of Your Journey.

It is important to consider the health of Your Relevant Person(s) when You arrange travel insurance. There are limits on when and what cover is available where a claim involves an Existing Condition of a Relevant Person. Please refer to the 'Existing Condition of a Relevant Person' definition (page 7), 'Conditions applying to Section 2' (page 12) and 'Sub limits applying to Section 2' (page 12).

Cover for Your Personal Items

If Your personal items are lost, stolen or damaged, We are entitled to choose between repairing the item, issuing a store credit, or paying You as per the benefit under section 3 – 1 (page 12).

There is limited cover for jewellery and watches under this Policy. If You are taking high value items with You on Your Journey and You would like these items covered at their current value, You must specify them during the application process. An additional premium will be payable for this additional cover.

For specified items, there are specific proof of ownership and value requirements under this Policy. If You cannot meet these requirements, this Policy may not be right for You. Please refer to the 'Schedule of Benefits' (page 6), section 3 (page 12) and 'Conditions applying to Sections 3 & 4' (page 13).

When Cover Starts & Ends

Cover commences under sections 2 – 1 and 2 – 4 on Your Start Date of Insurance. Cover for all other sections of the Policy commences on Your Start Date of Journey.

If You have a Single Trip Policy, cover ceases on Your End Date of Journey, or the date You submit a claim under section 2 – 1 (unless You alter Your Journey to go to the same country(ies) for the same duration or less), whichever occurs first. If You have a Multi Trip Policy, cover ceases on the End Date of Insurance specified on Your Certificate of Insurance.

Please refer to the 'Start Date of Insurance' definition (page 8), 'Start Date of Journey' definition (page 8), 'End Date of Journey' definition (page 7) and 'End Date of Insurance' definition (page 7).

When You need assistance, contact **Southern Cross Worldwide Assistance** on **+61 2 8216 0200, 24 hours a day, 7 days a week**. Under some circumstances, You are required to contact Southern Cross Worldwide Assistance. Please refer to general condition 8 (page 8).
