Bronze Extras

B55

This information is important, please read and retain for future reference.

Bronze Extras is an ideal option if you want to claim on popular extras services such as general dental and optical.

Waiting periods

Waiting periods exist to protect members from claims made by those who join the fund or increase their level of cover because they have an ailment or illness that may require treatment.

Waiting periods will apply to:

- New memberships (previously uninsured).
- Additions to a membership (unless the addition/s has already served all waiting periods with GMHBA or another fund) except newborns, adopted and permanent foster children where the family membership has been in existence for at least 2 months.
- Existing GMHBA memberships, and transfers to GMHBA from another fund where the level of cover and/or benefit entitlement is upgraded or increased and/or where the waiting periods have not been completed.

Extras Services	Waiting Periods	Benefit

General Dental		
The benefits shown are the annual limits for each type of dental service. There are further sub limits within some of these dental services. General Dental – There are a range of dental procedures that cannot be claimed when provided on the same day e.g. a filling on a tooth that has been removed. There are also limits on the number of dental procedures you can have e.g. periodic examinations are limited to two per calendar year. Dental benefits for some procedures cannot be paid unless tooth identifications (ID) are supplied by the provider. The general dental limits for dental examinations and scale and clean procedures are available per person on a calendar year basis. Preventative Dental – Benefits are based on specific item numbers.
