What you pay when you go to hospital

For more details about this read our *Member Guide*.

Classic Hospital excess

At ahm, an excess is an upfront lump sum that you agree to pay towards your hospital stay or day surgery on admission. Excess payments don't apply to any Child Dependant, Student Dependant or Adult Dependant on the policy.

You'll have to pay this directly to the hospital and in most cases they will require this on admission.

What you pay:	\$500 per person
Limits per membership year:	\$500 per person / \$1,000 per family

There might be a medical gap

The benefit we pay towards medical services is based on the Medicare Benefits Schedule (MBS).

If a service is listed on the MBS and included on your cover, Medicare will pay 75% of the MBS fee and we'll pay 25%. A doctor may choose to charge more than the MBS fee. This may leave you with an out-of-pocket expense you have to pay. This is the 'medical gap'.

How GapCover can help

GapCover can help reduce or remove the medical gap. If your doctor chooses to participate in GapCover, we'll provide benefits up to an agreed fee and then you'll have to pay the difference. Under GapCover, the maximum gap that you'll have to pay is \$500 per claiming provider (i.e. doctor's account).

Search online for doctors who've previously registered to participate in GapCover at ahm.com.au/find-a-doctor. You should always check with your doctor before agreeing to treatment.

Important information

Frequently asked questions

Here are some common health insurance terms. For more details read our *Member Guide*.

Q. What is a benefit?

A. This is the amount you get back from us to help with the cost of your treatment.

Q. What is a waiting period?

A. This is a set amount of time you must wait before you can claim any money back for a service included on your cover. All health insurers have waiting periods, which apply when you first join (or rejoin after some time without health insurance) or when you change to a higher level of cover or one with additional services.

Q. What is a pre-existing condition?

A. This is any kind of condition or illness that you had the signs or symptoms of (in the opinion of ahm's appointed Medical Practitioner) in the 6 months before you joined private health insurance or changed your cover.

Q. What is a partner or agreement hospital?

A. This is a hospital or day surgery where you'll be covered for the agreed theatre and accommodation charges for services included on your cover. Search online for a partner hospital or day surgery at ahm.com.au/hospital-network. If you're treated at a non-agreement hospital or day surgery we'll only pay a limited benefit and you'll be significantly out-of-pocket.

Q. What is the Medicare Benefits Schedule (MBS)?

A. The MBS is a government schedule that lists all the services for which Medicare benefits are payable and the rules that apply to the payment of those benefits.

Please note

Cooling off period

If you cancel your cover within 30 days of joining and haven't claimed a benefit during this period, you're entitled to a full refund.
