Bronze Extras is an ideal option if you want to claim on popular extras services such as dental and optical.

#### Waiting periods

Waiting periods will apply to:

- New memberships (previously uninsured).
- Additions to a membership (unless the addition/s has already served all waiting periods with GMHBA or another fund) except newborns, adopted and permanent foster children where the family membership has been in existence for at least 2 months.
- Existing GMHBA memberships, and transfers to GMHBA from another fund where the level of cover and/or benefit entitlement is upgraded or increased and/or where the waiting periods have not been completed.

4. **Orthopaedic appliances (GMHBA approved)** – Must be custom made or approved by GMHBA. A doctor's letter recommending the appliance must accompany each claim for benefits. Orthopaedic appliances attract benefits where the application of which has resulted from, and is required immediately following the injury or surgery to the injury necessitating the appliance, for purposes other than additional to support. For an appliance to be custom made, a plaster cast or mould must be taken. Customising, heat moulding, trimming or adjusting an existing 'off the shelf' appliance does not involve this process and therefore does not constitute a custom made appliance. There are some conditions therefore we recommend you call 1300 446 422. The limit of \$400 per person is available every three years. This limit includes combined benefits for orthopaedic appliances.
5. **Pharmacy - Private Script Benefits** are only payable towards the cost of prescription pharmaceuticals dispensed via a provider in a private practice. Benefits are not payable towards the cost of contraceptives or NHS (PBS) prescriptions, food supplements, natural therapies (including Modifast/Optifast), over the counter items purchased with or without a prescription and pharmaceuticals purchased overseas and not listed on the Australian Register of Therapeutic Goods.
6. **Physiotherapy/Myotherapy/Hydrotherapy** – For physiotherapy and hydrotherapy only class attendance is limited to \$240 per person each calendar year and this limit is included with your annual limit. Benefits will be paid for one consultation and/or treatment per provider per day. Physiotherapy consultation must be for a minimum of 15 – 20 minutes to qualify for one-on-one physiotherapy benefits. The annual limit of \$300 per person/single membership and \$600 per family membership each calendar year includes combined benefits for physiotherapy, myotherapy, hydrotherapy and occupational therapy.
7. **Pressure garments** – Are used for the treatment of burns, lymphoedema or for post-operative surgery up to 60 days from hospital discharge. For benefits to be payable garments must be supplied through a private company or therapist in private practice. A doctor's letter of recommending the appliance must accompany each claim for benefits. We recommend you contact GMHBA for a benefit to confirm the benefit payable.

### Important
