HOW ARE WE PAID?

We are paid by Lifebroker for the services we provide (as described in this FSG). Our remuneration is calculated according to the number of enquiries Lifebroker receives for its Life Products and/or the number sales that Lifebroker makes from such enquiries.

The remuneration is: (a) 60% of the total upfront commission received by National Financial Solutions Pty Ltd (**NFS**) from the insurer (excluding taxes and statutory charges or rebates payable in relation to the Life Product that is purchased) plus GST (see below) each month; or (b) \$54 per valid enquiry received by Lifebroker for its Life Products each month, whichever is greater. CTM's remuneration is included in the cost of the Life Product and it does not affect the price you pay.

CTM's staff are paid a salary and may receive bonuses based on performance.

HOW IS LIFEBROKER PAID?

Lifebroker is wholly owned by National Financial Solutions Pty Ltd (**NFS**). NFS receives remuneration from the insurer when it arranges for you to buy the Life Product and when your insurance is renewed. Upfront commissions range between 25%-115% (inclusive of GST) of the insurance premium payable (excluding taxes and statutory charges or rebates) for the Life Product, and ongoing commissions range between 9% and 33% (inclusive of GST) of the premium payable (excluding taxes and statutory charges or rebates) for the Life Product. For example, if your insurance premiums were \$750 per annum, NFS may receive up to \$862.50 (inclusive of GST) commission in the first year and up to \$247.50 (inclusive of GST) commission in subsequent years. Full disclosure of remuneration will be provided once Lifebroker knows the cover you intend to apply for (along with the PDSs and quotes from the particular life companies).
