Policy upgrades and amendments

Amendments

The following policy amendments only apply if they have been selected by **you**, the appropriate premium has been paid and they are shown on **your policy schedule**.

Excess eliminator and double excesses

Under most sections of this policy **you** have to pay the first part of any claim. This is called an excess. This will apply to each person claiming and to each incident and to each section of the policy **you** claim under. This amount is shown under each section where it applies.

If **you** pay an extra premium, **your** policy can include an excess waiver (excess eliminator) which will remove all excesses (except for increased medical excesses because of medical conditions or sports or leisure activities).

For a reduced premium **your** policy can include a double excess, in which case all excesses will be doubled (except for increased medical excesses because of medical conditions or sports or leisure activities).

Upgrades

GENERAL CONDITIONS

The following conditions apply to all sections of this insurance.

- You** must tell **us** (InsureandGo) if **you** know about anything which may affect **our** decision to accept **your** insurance (for example, if **you** are planning to take part in a dangerous activity while **you** are on holiday). If **you** are not sure whether to tell **us**, let **us** know anyway.
- You** must take all reasonable steps to avoid or reduce any loss which may mean that **you** have to make a claim under this insurance.
- You** must give **our** claims department all the documents they need to deal with any claim. **You** will be responsible for the costs involved in doing this. For example, in the event of a cancellation claim **you** will need to supply proof that **you** were unable to travel, such as a medical certificate completed by **your** doctor if this cancellation was due to a medical condition.
- You** must help **us** get back any money that **we** have paid, from other insurers or any other person, by giving **us** all the details **we** need and by filling in any forms **we** require. If **we** agree to cover **your** loss, **you** must let **us** take over and pursue any legal right of recovery **you** may have and **you** must co-operate with **us** in any recovery action.
- If **you** try to make a fraudulent claim or if any fraudulent means or devices are used when trying to make a claim, this policy may be cancelled and the premium **you** have paid may be forfeited. Any benefits already paid to **you** must be repaid in full.
- You** must agree to have a medical examination if **we** ask. If **you** die, **we** are entitled to a post-mortem examination unless this is illegal in the country in which the post-mortem examination is to be performed.
- You** must pay **us** back any amounts that **we** have paid to **you** which are not covered by the insurance.
- After a claim has been settled, any salvage **you** have sent into **our** claims department will become **our** property.

- We** will not cover **you** for loss or an event or liability to the extent that it is covered by any other insurance policy, medical or health scheme or Act of Parliament or any benefit which **we** are legally prohibited to pay by law. **We** will however pay the difference between what is payable under that other insurance policy, medical or health scheme or the relevant Act of Parliament and what **you** would have been entitled to recover under this policy to the extent permitted by law.
- You** must tell us about any changes that take place between the date **you** bought **your** policy and the date **you** booked a trip. This includes:
 - any new treatment or prescribed medication;
