Extras cover is for services you can use every day to stay healthy, like going to the dentist, a visit to the physio or a new pair of glasses.

nib's Extras bundles allow you to tailor your cover to suit your needs and budget.

What's covered

Extras are services usually provided outside of a hospital. Medicare does not generally cover these services, so we help you pay for them.

At nib Recognised Providers you'll receive 60% of the cost back (up to the annual limit) on:

- ✓ The cost of the consultation
- ✓ The cost of health appliances listed on this policy. Ask nib about specific restrictions and replacements.

Unlike some other health funds, nib Extras benefits are not restricted to a 'preferred provider network'. Instead nib customers have the choice to use any provider with professional qualifications recognised by nib. Please consult the nib Product Disclosure Statement for more information on nib Recognised Providers.
