What to do if you need to make a claim?

- take all reasonable precautions to prevent or reduce loss or damage to your car;
- immediately report the incident or loss to the police where the accident or loss must be reported by law or the policy;
- call our claims team on 1300 0033 03 and report the incident as soon as possible.

What not to do without our consent

- admit guilt, liability or blame;
- offer to pay for or negotiate any damages arising from the event;
- approve any repairs or arrange replacements other than emergency repairs up to \$400 which are necessary to minimise or prevent further loss and damage.

If you fail to assist us, or do not comply with any of these terms, we may reduce or refuse to pay your claim or be entitled to recover from you any monies paid by us in relation to the claim.

We may require you to

- undergo interviews and appear in court and give evidence under oath;
- arrange for any driver of your car to give us full co-operation in all respects and provide us with the same assistance that you are required to;
- help us manage the claim by answering our questions and/or providing written statements to us under oath;
- allow us to inspect your car or any damaged goods you are claiming for;
- take your car to or allow it to be towed to a place nominated by us;
- allow us to take possession of the damaged property that we have replaced. Such damaged property becomes our legal property;
- immediately send us copies of any communication, demand or claim you may receive arising out of any incident for which cover is provided under the policy;
- provide us with proof of previous motor vehicle insurance in respect of both your car or other vehicle (if applicable) and the policy holders/insured's;
- provide us with evidence of ownership and value of all property covered under the policy;
- advise us of any person that is charged by the police arising from the incident for which cover is provided under the policy;
- tell us about any other policy of insurance that may be relevant to the claim;
- assist us to negotiate, defend or settle any claim made under the policy and to exercise for our benefit your legal right of recovery against any other party.

If you fail to assist us, or do not comply with any of these terms, we may reduce or refuse to pay your claim or be entitled to recover from you any monies already paid under the claim.

Costs of dismantling, diagnosis and reassembly

If you make a claim, we may require you to authorise the dismantling of your car or to authorise us to dismantle it, so that we can assess your claim and/or decide if it is valid. We may refuse to assess or pay your claim if you do not agree to this.

If we determine that the claimed loss or damage is not covered, you will be responsible for the costs of the above dismantling as well as any costs associated with it (including but not limited to any diagnosis, reassembly, repair, and/or replacement costs).

If we determine that the claimed loss or damage is covered, we will settle your claim in accordance with the terms and conditions of the policy (including the operation of any excess).

What happens if we settle the claim for your car on a total loss basis

If we determine that your car is a total loss, we will pay the agreed value if you have insured your car on an agreed value basis or if you have insured your car on market value of your car. We will:

- deduct any excess that may be applicable;
- in paying the agreed value or market (whichever is applicable), we will deduct any unused portion of your registration fee and Compulsory Third Party insurance premium (refer to page 7) and
- retain your car (including all insured options and accessories);

Then:

- the policy comes to an end; and
- there is no refund of any portion of the premium. (refer to page 7)

Fraudulent and dishonest claims

If you or any person acting on your behalf submits to us a claim or any information or documentation relating to a claim, which is in any way fraudulent or dishonest, we may refuse to pay the entire claim and cancel the policy as permitted by law.

Prevention of loss

You are legally obliged to take reasonable steps to prevent or reduce the risk or possibility of loss. If you intentionally take any risk that results in a loss being suffered, you may forfeit the right to make a claim under the policy.

Goods and Services Tax (GST)

All insured amounts shown in the policy are in Australian Dollars and include Goods and Services Tax (GST). When you claim under the policy with us, all amounts we pay will be inclusive of GST, up to the maximum claim amount shown in the policy.

If you are registered for GST purposes, we will reduce any claimed amounts paid to you by the appropriate input tax credit percentage that you have told us you are entitled to claim from the Australian Taxation Office.

Excesses

Every time you make a claim, unless we determine that the faultless excess applies (see page 16), you must pay all the applicable excesses which are set out in your Certificate of Insurance and which specifically relate to the circumstances of your claim. If required by us, you must pay all the applicable excesses before we provide you with any policy benefits.

Types of excesses which can be applied by us

The types of excesses applicable to the policy and the amount payable are shown on your Certificate of Insurance. Depending on your circumstances of the accident/event giving rise to a claim the following excesses may apply:

Basic excess

This is the amount you are required to pay for each claim under the policy. Your chosen basic excess will be stated on your Certificate of Insurance. The basic excess may be adjustable (see adjustable basic excess on page 16).

Adjustable basic excess

The adjustable basic excess is used by us to reward you for claims free driving.

The result of this is that your basic excess may be reduced for each claim-free year that you hold this insurance with us (unless we tell you otherwise). You will start on Claims Free Year 1 when you first purchase this insurance from us.

The following table provides you with an example on how the adjustable basic excess structure works when provided on each renewal.

Claims Free year	Adjusted Basic Excess
Year 1	\$600
Year 2	\$450
Year 3	\$300
Year 4	\$150
Year 5	\$0

If you make an at fault claim, your basic excess level will revert back by 2 years. In the above example, if your basic excess in Year 1 was \$600 and in Year 3 you had your first at fault accident you will be required to pay \$300. At the start of your fourth year your new basic excess would be listed as being \$600.

Age excess

This excess applies in addition to all other excesses. This excess will apply if at the time of the event giving rise to the claim your car was driven by a person:

- who is under the age of 30; or
- of any age who has held a driving licence for less than 2 years.

Unlisted driver excess

This excess applies in addition to all other applicable excesses. This excess will apply if your car is driven by a driver who was not listed on the Certificate of Insurance at the time of the event giving rise to the claim. This excess will apply regardless of who was at fault.

Single car accident excess

This excess applies in addition to all other applicable excesses. This excess will apply where no other vehicles are involved in the event giving rise to the claim.

Theft/Malicious damage excess

This excess applies in addition to all other applicable excesses. This excess will apply in relation to any claim involving attempted theft or theft of your car or malicious damage to your car.

Undisclosed parking excess

If you declared to us when applying for this insurance that the car will be parked in a garage or other secure parking space at your home, a higher excess will be applied by us if your car was damaged, lost or stolen whilst parked on the street outside your home.

New Policy excess

This excess applies in addition to all other applicable excesses. This excess will apply in relation to the insured events that occur or legal liability that is incurred within the first six months of original policy inception (i.e. excluding renewals).

Special excess

A special excess may be applied to your cover. Any such special excess may be based on the type of car insured and the driving records and insurance history of the drivers of your car. If we apply a special excess you will be advised in writing and the excess will be shown on your Certificate of Insurance and it will apply in addition to any other excess applicable to your claim.

WHAT WE EXPECT FROM YOU

When you buy insurance from us (including on renewal), you have certain responsibilities that you must comply with. We can refuse to pay a claim, reduce the amount we pay or cancel the policy (subject to the operation of the Insurance Contracts Act 1984(Cth) and relevant law), if you, or anyone covered by the policy:

- do not comply with your Duty of Disclosure or make a misrepresentation to us, and/or
- fail to meet your responsibilities under the policy.

If fraud is involved, we can treat the policy as if it had never existed.

This policy and its terms are subject to and can be affected by the operation of the Insurance Contracts Act 1984 (Cth) (as amended) (the Act) and you need to make sure you are aware of your rights under this Act.

By way of example only (other provisions of the Act can have an impact), if the effect of the policy (e.g. a term, condition, limitation or exclusion) is to allow us to refuse a claim either in whole or part, by reason of some act of the insured or of some other person, that occurred after the commencement of the period of insurance, our rights are subject to the operation of section 54 of the Act.

By way of summary (refer to the section for full details), section 54 provides that if the above act could reasonably be regarded as capable of causing or contributing to a loss in respect of which insurance cover is provided by the policy, we may refuse to pay the claim in accordance with the policy terms UNLESS:

- you prove that:
 - no part of the loss that gave rise to the claim was caused by the act, in which case we cannot refuse to pay the claim only by reason of the act.
 - some part of the loss that gave rise to the claim was not caused by the act, in which case we cannot refuse to pay the claim , so far as it concerns that part of the loss, by reason only of the act.
- the act was necessary to protect the safety of a person or to preserve property; or it was not reasonably possible for you or the other person not to do the act, in which case, we may not refuse to pay the claim by reason only of the act.

If the act could reasonably be regarded as capable of causing or contributing to the loss that gave rise to your claim we can only reduce our liability in respect of the claim by the amount that fairly represents the extent to which our interests were prejudiced as a result of that act.

In the section an “act” includes a reference to an omission; and an act or omission that has the effect of altering the state or condition of the subject-matter of the contract or of allowing the state or condition of that subject-matter to alter.

By way of example, we exclude cover under the policy where if your car is being used for an illegal purpose. If the use of the car for an illegal purpose could reasonably be regarded as wholly causing or contributing to the claimed loss, we may refuse to pay the claim unless one of the above exceptions applies e.g. the act was necessary to protect the safety of a person.

Your duty of disclosure

We rely on the information you provide us with, to decide whether to insure you and the terms on which we will insure you.

Your duty of disclosure when you enter into the policy with us for the first time

You will be asked various questions when you first apply for the policy and when you answer you need to:

- give us honest and complete answers;
- tell us everything that you know; and
- tell us everything that a reasonable person in the circumstances could be expected to tell us.

You will need to tell us if your answers change before policy inception.

Your duty of disclosure when you renew, vary, extend, reinstate or replace the policy

When you renew, vary, extend, reinstate or replace the policy, your duty is to tell us before the renewal, variation, extension, reinstatement or replacement is made, every matter which you know, or a reasonable person in the circumstances could be expected to know, that is relevant to our decision whether to insure you and whether any special conditions need to apply to the policy.

What you do not need to tell us?

You do not need to tell us about any matter that:

- diminishes our risk;
- is of common knowledge;
- we know or should know as an insurer; or
- we tell you we do not need to know.

What happens if you do not comply with your duty of disclosure?

If you do not comply with your duty of disclosure or make a misrepresentation to us we may cancel the policy and/or reduce the amount we pay if you make a claim. If fraud is involved, we may treat the policy as if it never existed, and pay nothing.

Who do the above obligations apply to?

The obligations apply to you and everyone that is an insured under the policy. If you provide information for another insured you represent to us you have authority from them to do so and it is as if they provided it to us.

Tell us about any changes that may affect your cover or premium

You need to tell us immediately if any details on your Certificate of Insurance are incorrect or have changed, including if:

- your car has been modified or has had accessories fitted that are not included standard as part of your car. We will only provide cover for these modifications or accessories when you have told us about them, we have agreed to cover them and they have been noted on your Certificate of Insurance;
- you change your address, contact details, the place where you keep your car, the drivers of your car or the way you use your car;
- anyone who is shown on the Certificate of Insurance has, over the past 5 years, had changes to their:
 - driving record including cancellation and/or suspension of their driver's license;
 - criminal history relating to fraud, theft, burglary, arson, criminal, malicious or wilful damage.

Changes that you advise us, may affect the premium you need to pay for the remainder of the period of insurance. If a lower premium applies you will be refunded less our reasonable charge for administrative and processing costs where applicable. In situations where an additional premium applies it must be paid by you immediately.

If the change results in you no longer meeting our underwriting criteria, we may decide not to insure your car, cancel your policy or decide not to offer renewal.

Tell us about any finance on your car

If you have borrowed money using your car as security, you must inform us so that we can record the financier's interest on your Certificate of Insurance. This includes circumstances where you lease, or have a hire purchase agreement on your car. During the period of insurance your financier's interests will be covered under the policy as noted on your Certificate of Insurance, however the same policy terms and conditions will also apply to them (where relevant).

Tell us if you replace your car

If you replace your car during the period of insurance, we may continue your cover on your new car, however you must notify us before such cover will take effect. When you tell us that you have replaced your car we may charge you an additional premium, add special terms and conditions or cancel the policy. We will not cover any pre-existing damage on your new car.

The premium you pay

When you buy this insurance we will tell you the premium you must pay and note it on your Certificate of Insurance.

The premium you pay is based on a number of factors, including (but not limited to):

- the type of car insured, its age and value;
- what your car will be used for;
- the drivers, their driving and claims experience;
- where your car will be parked; and
- your payment method.

You may reduce your premium by increasing your basic excess and taking advantage of our discount structure. You will also pay less if you pay your premium in one annual lump sum amount.

Your premium will also include amounts that take into account our obligation to pay any relevant compulsory government charges, taxes or levies (e.g Stamp Duty and GST) in relation to your insurance. In cases where we are required to pay an estimated amount (e.g fire services levy) we may over or under recover in any particular year but we will not adjust your premium because of this. You can ask us for more details if you wish.

Ensure your premiums are always paid

It is your responsibility to ensure your premiums are paid in full either annually or monthly. If we do not receive payment by the due date we may cancel the policy. We will not pay any claims if your premium remains unpaid for at least 14 days or more.

You must be authorised to make payments from the bank account or credit card details you provide to us. You must also ensure that your nominated bank account or credit card has sufficient funds when we collect payments. We will attempt to collect payment on the start date of your period of insurance. If the policy remains unpaid we will attempt to collect payment at regular intervals determined by us. Any fees that your bank may charge you including dishonour fees are your responsibility. We may also charge you an administration fee to cover our costs relating to your failure to pay.

Instalment payments

You may be eligible to pay your premium in regular monthly instalments by way of direct debit from your bank or credit card account. The total premium we charge is higher when you pay in instalments than when you pay one annual lump sum amount. The nominated bank or credit card account must be able to accept direct debits and you must be an authorised signatory on that account.

You must ensure that you have sufficient funds in the account to meet the debits. All bank charges and dishonour fees are your responsibility. You must notify us immediately if your nominated account or credit card is transferred, closed, payments stopped or if you cancel your direct debit payment plan, and supply us with alternative account details, no less than 7 business days prior to the date of your next debit. If you cancel the debit completely you will need to arrange for another way to pay us your premium to ensure that you remain covered. Please note that as an alternative, payments can only be accepted via either direct debit or another credit card.

If you don't pay a premium instalment by the due date then if:

- the unpaid premium remains in arrears for more than thirty (30) days we may cancel your policy without notification; and
- at least one instalment has remained unpaid for a period of at least fourteen (14) days then we will refuse to pay your claim/s.

If we cancel your policy due to non-payment of an instalment premium you need to be aware that:

- no benefits or entitlements can be paid under your policy,
- you will not receive any written confirmation that your policy has been cancelled,
- we may refuse to provide cover to you under any policy in the future, and
- any application for general insurance products in the future may be affected because you had a policy cancelled as a result of unpaid premiums.

We will keep all information regarding your nominated bank account or credit card private and confidential at all times. Please refer to our Privacy Policy located on our website (www.aiinsurance.com.au).

Other responsibilities for those covered by the policy

You or any other person who is covered under the policy must:

- follow all the conditions set out in the policy and Certificate of Insurance;
- take all reasonable precautions to prevent loss, damage or legal liability even after an insured event;
- keep your car, its tools, parts and accessories in good condition (e.g. serviced, free of rust etc);
- keep proof of ownership and value of insured property (e.g. receipts, invoices, bank statements, contracts of sale and photographs).

Compensation arrangements

Hollard is an insurance company authorised to carry on general insurance business in Australia. Hollard is supervised by the Australian Prudential Regulation Authority (APRA). Hollard is subject to the prudential requirements of the Insurance Act which are designed to ensure that, under all reasonable circumstances, financial promises made by Hollard are met within a stable, efficient and competitive financial system.

Because of this Hollard is exempted from the requirement to meet the compensation arrangements Australian financial services licensees must have in place to compensate retail clients for loss or damage suffered because of breaches by the licensee or its representatives of Chapter 7 of the Corporations Act. Hollard has compensation arrangements in place that are in accordance with the Insurance Act.

The protection provided under the Federal Government's Financial Claims Scheme (the Scheme) applies to the policy. In the unlikely event that Hollard is unable to meet its obligations under the policy, persons entitled to make a claim under the insurance cover under the policy may be entitled to payment under the Scheme (access to the Scheme is subject to eligibility criteria). Information about the Scheme can be obtained from the APRA website at APRA.gov.au or the APRA hotline on 1300 55 88 49.

The Corporations Act 2001 (Cth) requires licensees such as AI to have arrangements for compensating retail clients for losses they suffer as a result of a breach by the licensee or its representatives of Chapter 7 of the Act, unless an exemption applies. AI has compensation arrangements in place that meet these requirements.

General Insurance Code of Practice

Hollard is a member of the Insurance Council of Australia and also a signatory to the General Insurance Code of Practice. The objectives of the Code are to:

- promote better, more informed relations between insurers and their customers;
- improve consumer confidence in the general insurance industry;
- provide better mechanisms for the resolution of complaints and disputes between insurers and their customers; and
- commit insurers and the professionals they rely upon to higher standards of customer services.

You can obtain a copy of the Code from the Insurance Council of Australia website at www.insurancecouncil.com.au.

OTHER IMPORTANT INFORMATION

Cooling off period

We want you to be happy with the cover you have chosen, that is why we offer you a 14 day cooling off period.

If you decide that this insurance isn't for you, we allow you to cancel your policy within 14 days of the start or renewal date of your policy and receive a full refund of any premium paid (less any taxes or duties that we cannot recover), as long as you have not made a claim or otherwise exercised a right under the policy.

You must call us during this time for this to be effective otherwise you will not be entitled to a full refund of premium.

Even after this cooling off period ends you still have the right to cancel the policy (see "Cancelling the policy").

Cancelling the policy

You can cancel your policy at any time by calling us. We will explain the cancellation process to you. If you have paid an annual premium, we will refund any premium which you have paid, less an amount that covers the period for which you were insured. There is no refund if you have been paying by monthly instalments. We may charge you a cancellation fee specified in the Certificate of Insurance which reasonably represents the administrative costs we believe will be incurred by us in processing the cancellation.

We can cancel the policy where permitted by law. For example, if you do not comply with the policy terms and conditions, fail to pay your premium, make a fraudulent claim or if you did not comply with your Duty of Disclosure or misrepresented information when you entered into the policy.

Premium refunds

We do not refund via cheque. Any refund that may be payable because of policy amendments or cancellation will be made to your nominated bank or credit card account.

Renewing the policy

We will send a renewal notice to you at least 14 days before your insurance is due to expire telling you if we will renew and if so on what terms. Where we offer renewal, we will (unless we tell you otherwise) automatically renew your cover on the terms contained in the renewal offer. If you do not wish to renew the policy, please contact us immediately.

You may have to pay an additional premium if you make a claim in the period between the time we made our renewal offer and the expiry of the policy, or if you tell us about changes to the policy details and we advise you that these changes will increase your renewal premium.

Your cooling off period continues to apply on each renewal. Each renewal is a separate contract and not an extension of the prior contract.

Updating our PDS

We may need to update this PDS from time to time if certain changes occur, where required and permitted by law. We will issue you with a new PDS or a Supplementary PDS or other compliant document to update the relevant information except in limited cases. Where the information is not something that would be materially adverse from the point of view of a reasonable person considering whether to buy this insurance, we may issue you with notice of this information in other forms or keep an internal record of such changes (you can get a paper copy free of charge by calling us).

Remuneration

When you obtain the Comprehensive Car Insurance product you pay the premium to Hollard for the product. This amount is agreed with you before the product is purchased.

AI receives a portion of the underwriting profit (if any) for providing financial services in relation to the Comprehensive Car Insurance. This profit share will be calculated as a percentage of the difference between the total premiums received and the costs incurred in issuing the policies.

Where an insurance broker or affiliated association has referred you to us, AI will pay them a commission calculated as a percentage of the premium. AI's employees are paid an agreed salary and may also earn performance based bonuses or receive non-monetary benefits like paid attendances at business related conferences, study trips, functions or gift vouchers.

If you would like more information about the remuneration that AI, Hollard or any other person receive, please contact us. This request should be made within a reasonable time after this document is provided to you and before the financial services are provided to you.
