Travel Insurance Bonus

If a treatment is only covered for Minimum Benefits (MB), the amount we pay for your hospital accommodation is capped at the rate we pay for a shared room in a public hospital. This means in most cases you'll be covered for the treatment as a private patient in a public hospital. However, if you choose a private hospital you're likely to have large out-of-pocket expenses for your hospital stay.

<sup>^</sup>A co-payment is a daily amount you agree to pay for each day you're in hospital in exchange for a lower premium. You will need to pay \$50 for each day you're in hospital up to 5 days. <sup>\*</sup>For most items at Members First providers, covering general dental, physio and chiro services. Yearly limits, waiting periods and Fund Rules apply. Major dental for VIC and SA members only. Excludes orthodontics and hospital treatment. <sup>~</sup>Per membership, per calendar year. Increases by \$10 each year up to \$100. <sup>#</sup>You'll get more back on optical if you visit a Members First provider with a yearly limit of \$210, if you see a non Members First provider your limit will be \$150. Orthodontics only covered if resulting from an accident after joining with this cover. A sub-limit of \$100 per person applies for massage.

## Hospital

For the hospital treatments listed under ‘hospital’ on page one, in most cases, you’ll be covered:

- As a private patient in either a private or public hospital. If you choose to be treated as a private patient in a public hospital and choose a private room, you may have to pay an out-of-pocket expense.
- For costs related to your hospital stay (eg your room, operating theatre, meals and allied health services such as physiotherapy, occupational therapy or social work).
- For fees charged by your doctors or specialists for your treatment (eg surgeon, anaesthetist). Depending how much they charge, there may be an amount you need to pay (we call this a ‘gap’) that won’t be covered. If they use our [Bupa Medical Gap Scheme](#) it can help eliminate or reduce your gap.
- For one emergency ambulance service (including on-the-spot treatment and air services) per calendar year.

There are some situations when you won’t be covered (eg for inpatient treatment that doesn’t receive a Medicare benefit) or you’ll have to pay an out-of-pocket cost. For more information on what you can/can’t claim for using your health insurance here’s our [Important Information Guide](#).

## Extras

You can claim benefits for services (listed under ‘extras’ on page one) from private practitioners who are recognised and registered with us. And by using our extensive network of [Members First](#) dentists, physios and chiropractors you’ll get at least 60% back on most services.

## Waiting Periods

This is the time you have to wait after joining before you can claim for some services. If you’ve been covered by another health insurer before joining Bupa, you may be able to claim right away if you’ve already served these waiting periods.

Extras; palliative care; psychiatric and rehabilitation services	2 months
Living Well	6 months
Major dental	12 months
Pre-existing conditions that require hospital treatment; pregnancy related services (including childbirth)	12 months
