Excess

An excess means a nominated amount you elect to pay per person, per calendar year when admitted to hospital. If hospitalised, the total excess option you select will apply only once per person in a calendar year.

Hospital benefits and 'the gap'

Hospital benefits are payable to formally admitted hospital patients at the time of the service. If you are a private patient in a non-participating private hospital, you may face a large gap depending on the hospital charges. Prior to treatment, please check with your doctor to obtain Medicare item numbers and call HCF to clarify benefits payable.

Medical Gap: Medicare will cover 75% of the Medicare Benefits Schedule (MBS) fee for medical charges and HCF will cover the remaining 25%. Some doctors may choose to charge more than the MBS fee, which may result in additional expenses, known as the 'Medical Gap'.

HCF has no-gap arrangements to assist you in eliminating the gap. Always ask your doctor what your charge will be and if they'll participate in HCF's no-gap arrangement for your procedure. If you still have questions, call HCF on **13 13 34**.

⚠ Minimum Benefits

For procedures identified as Minimum Benefits, we will pay the rate set out by the Commonwealth as the minimum shared room benefit, and benefits for Government approved Prostheses List items, if applicable.

In a private hospital: These benefits would not be adequate to cover all hospital costs and are likely to result in large out-of-pocket expenses.

In a public hospital: In the event these benefits are less than what your chosen public hospital charges, you may have out-of-pocket expenses to pay.

✗ Exclusions

If you need treatment for any procedures listed as an Exclusion in your hospital cover, you won't receive any benefits from us and you may have significant out-of-pocket expenses. Please ensure you have reviewed the exclusions on this product, and always check with us to see if you're covered before receiving treatment.
