With Mid Hospital you'll be covered for accommodation and theatre fees in over 500 private hospitals we have an agreement with. Heart related treatments, rehabilitation services and day surgery procedures are also included.

Mid Hospital also offers several Health Support Programs including Hospital Care at Home, which offers home assistance so you can return from hospital sooner.

Waiting periods

A waiting period is the amount of time you have to wait after joining or upgrading, until you can make a claim for a service or treatment.

Mid Hospital waiting periods are:

- 2 months – psychiatric, rehabilitation and palliative care
- 12 months – all pre-existing conditions except psychiatric, rehabilitation and palliative care

Remember, if you transfer to Australian Unity from another health fund and your previous cover was of a similar or higher level than Mid Hospital, you won't re-serve any waiting periods. If you are unsure, simply contact us on 13 29 39.

Pre-existing conditions

A pre-existing condition is an illness, ailment or condition where the signs or symptoms existed up to six months before and on the day you joined Australian Unity or upgraded your cover, irrespective of whether you were aware of it.

If you make a hospital claim in the first 12 months of your membership, we may ask you to get your first consulting doctor (e.g. your dentist, GP or specialist) to complete a medical report. The report will help our appointed medical advisor assess if your treatment relates to a pre-existing condition. You should ask us to carry out this assessment before going into hospital.

Restricted

Restricted services are hospital claims which are limited to a basic default benefit. This is the minimum dollar amount set by the Australian Government for accommodation as a private patient in a shared room of a public hospital. A restricted service does not pay any money towards the cost of intensive or coronary care, labour ward or theatre fees in a private hospital or private day centre. Contact us on 13 29 39 for more information.
