General information only

This Product Disclosure Statement is for the general public and provides information of a general nature only, outlining the benefits and conditions of the policy conditions governing this product, including the benefits, definitions and exclusions. The policy wording is available upon request.

About Simply Life

Simply Life offers you the opportunity to protect yourself and your family against the unexpected.

This Product Disclosure Statement will help you to:

- Decide whether this product will meet your needs; and
- Compare this product with others you may be considering.

Simply Life is not a savings plan. The primary purpose of this product is to provide a benefit in the event of death, terminal illness, total and permanent disability and trauma if selected. If you terminate the policy at any time, you will not get anything back.

What are the significant benefits?

Death and Terminal Illness

Your life cover sum insured (which will be set out in your Policy Schedule) is the amount we will pay if you die or are diagnosed as terminally ill while the insurance cover is current.

You will be considered terminally ill under this policy if you are diagnosed as having less than 12 months to live.

Advance funeral benefit

The Advance Funeral Benefit will provide a cash advance of \$10,000 to assist with costs associated with funerals or other similar expenses upon presentation of proof of age and a death certificate. The Sum Insured benefit payable will then be reduced by that amount.

Total and Permanent Disability (TPD)

TPD provides you with a payment if you become totally and permanently disabled. The TPD sum insured you choose must be equal to, or less than, the life cover sum insured you have selected up to a maximum of \$1 million.

If a TPD benefit is paid, your life cover sum insured (if higher than the TPD sum insured) will be reduced by the amount (if this occurs while your life cover is in force) paid for your Total and Permanent Disability.

Definition of Total and Permanent Disability (TPD)

You will be considered totally and permanently disabled if, after considering medical and/or other evidence, we find you fit into the category below before the first annual renewal date after your 65th birthday:

1. You have suffered the loss of use of:

- two limbs*, or
- sight of both eyes, or
- one limb and loss of the sight of one eye.

* A limb is defined as being the whole hand or whole foot.

Hemiplegia	Severe Burns

3 month waiting period* for:

Coronary Artery Angioplasty Triple Vessel**
Coronary Artery Angioplasty**
Coronary Artery Bypass Surgery
Heart Attack
Malignant Cancer
Open Chest Surgery
Stroke

* No payment will be made for these conditions if the insured event occurs within 3 months of the commencement or reinstatement date of the policy. If one of these insured events occurs again after the three month period and it is not related to the first occurrence, a benefit will then be paid. The three month waiting period will not apply where this policy is replacing existing trauma cover which is an amount greater than or equal to the sum insured under this policy.

** To be entitled to a benefit for Coronary Artery Angioplasty and Coronary Artery Angioplasty Triple Vessel you must have a minimum trauma sum insured of \$100,000. Payment under this benefit will be limited to 10% of your trauma sum insured, up to a maximum of \$25,000. Your trauma sum insured will then be reduced by the amount paid for Coronary Artery Angioplasty and Coronary Artery Angioplasty Triple Vessel.

[...continued from Page 2](#)

2. Any occupation

- you must have become incapacitated for six consecutive months to such an extent that you are unlikely to ever be able again to undertake your usual occupation, or any gainful occupation for which you are reasonably qualified by education, training or experience.

3. Homemaker (you are wholly engaged in full-time unpaid domestic duties in your own residence) and:

As a result of illness or injury you are under the care of a medical practitioner and are unable to:

- perform normal domestic duties;
- leave your home unaided; or
- be engaged in any employment for a period of six consecutive months; and

at the end of the period of six months, you are disabled to such an extent as to render you likely to require ongoing medical care and deemed never again able to perform Normal Domestic Duties nor any occupation.

‘Normal Domestic Duties’ are the duties normally performed by a person who remains at home and is not working in regular employment for income. These normal domestic duties include cleaning the home, washing, shopping for food, cooking meals and when applicable, caring for children.

If your TPD claim is based on the second category of the definition of Total and Permanent Disability the benefit will be the TPD Sum Insured applying on the first day of the six (6) consecutive months of absence from employment or occupation, or Normal Domestic Duties.

Trauma

We will pay the trauma sum insured if any of the events listed on page 3 occur (subject to any waiting period applicable and any conditions that apply). Each of the events are defined on pages 14 to 17.

The trauma sum insured cannot be more than the life cover sum insured.

If we pay a trauma benefit for a person under your policy, no further trauma benefit will be payable in respect of that person (except for Coronary Artery Angioplasty and Coronary Artery Angioplasty Triple Vessel) and the trauma option for that person will end.

The payment of a trauma benefit will not affect the sum insured for any other benefit under the policy.

No trauma benefit will be payable if after diagnosis, the insured person does not survive for 14 days, however, the death benefit may be payable.

Total and Permanent Disability and Trauma continuation benefit

If we have not already paid a TPD benefit on the annual renewal date after your 65th birthday, or a trauma benefit on the annual renewal date after your 70th birthday your cover under these options will switch to the following definition:

We will pay your TPD or Trauma sum insured if, before the first annual renewal date after your 99th birthday, because of injury or illness you become permanently unable to perform (without any assistance from another person) the basic activities normally undertaken as part of everyday life.

This will be evidenced by being unable to undertake any two of the activities listed:

- Bathing – to shower or bathe;
- Dressing – to dress or undress;
- Toileting – to use the toilet including getting on and off;
- Feeding – to eat and drink;
- Mobility – to get out of bed or chair or wheelchair;
- Continence – to control bladder and bowel function.

Please note: If you can perform the activity on your own by using special equipment you will be considered to be able to undertake that activity.

Financial planning benefit

MetLife will pay up to \$500 incurred to reimburse the cost of financial planning advice after a benefit payment on this plan.

When we will not pay

Under a Simply Life policy, there will be no entitlement to a death benefit if the person insured commits suicide within the first 13 months of the commencement of cover, or any increase in cover (but only in respect of the increase) or reinstatement date.

If you have chosen and have been accepted for the trauma or TPD option, a benefit will not be paid if the claim arises out of or in connection with self-inflicted injury or any other event referred to in your Policy Schedule as a special condition.

What are the significant risks?

The significant risks associated with holding a Simply Life Insurance policy, which you should consider include:

- Your policy is not a savings plan, you will not get anything back if it is cancelled;
- Whether your policy will provide the cover you require;
- If you do not comply with your duty of disclosure, and we do not pay your claim, pay only part of your claim or cancel your policy; and
- If you do not comply with the policy terms and conditions (for example, premiums are not paid when due, or you have delayed in notifying us of a claim and our interests have been prejudiced by the delay), and we refuse to pay all or part of your claim.

Whether your policy will provide the cover you require:

- Cover may not be adequate because:
 - The amount of cover you have is more or less than you need;
 - The type of cover you require does not match the cover provided by your policy (for example, because you do not satisfy terms and conditions of cover or an exclusion applies);
- Premium rates are not guaranteed;
- No claim is payable unless you can prove the extent of loss or damage.

You should consult your adviser to assist you in determining which of the above risks are significant in your particular circumstances.

What is the cost of Simply Life?

All the current charges of Simply Life are described in this section. If we decide to alter the premium rates, which apply to this insurance, we will give you at least three months written notice before your premium is affected.

The premium you need to pay may depend on certain factors including, your age, sex, smoking status, sum insured, your medical history, occupation, any options or the premium mode and frequency you select.

Insurance is provided initially for one year, with your first premium being payable in advance, however you have the option of paying premiums monthly or half yearly.

The methods by which your premiums are paid is set out following:

	Cheque	Direct debit	Credit card
Monthly		✓	✓
Half Yearly	✓	✓	✓
Yearly	✓	✓	✓

Processing fee

If you choose to pay your premium monthly, there is a processing fee of 6% of your total premium per annum. For half yearly payments, the processing fee is 3% of your total premium per annum. The processing fee applies to your premium (including the policy fee).

Commencement date

The date your insurance commences with us is known as your commencement date. The anniversary of your commencement date

is your annual renewal date. On this date (after the first year) all annual premiums are due and premium rates will change as your age increases. You will receive a renewal notice at this time.

Minimum premium

\$250 (including a \$65 policy fee).

Policy fee

In addition to the premium payable, there is an annual policy fee of \$65, which covers our administrative costs. If we increase this fee, it will be in line with inflation and will apply from your next annual renewal date. You will be advised of the new policy fee in your renewal notice, which we send to you at least 30 days before your next annual renewal date. If you choose to have a second person insured under this policy, only one annual policy fee will be charged.

Premium discounts and loadings

We offer discounts on your premium rates equal to or above \$500,000 and if you are a non-smoker. Loadings may be applied to premium rates depending on your medical history and in some cases your occupation.

Non-payment of premiums

To maintain your cover you need to pay your premium within 30 days of the due date. Your policy will be cancelled if you do not pay your premium within this period.

Guaranteed continuity

We guarantee to continue your cover each year once you have taken out Simply Life, provided that premiums are paid when due.

Payments

We have provided examples of sample premium amounts for the key benefits under a Simply Life policy. There are additional options under Simply Life and if you were to select these, an additional premium would be payable.

Your adviser can provide you with an illustration of the premiums for your specific circumstances based on the types of cover you require and the level of cover recommended.

Your premium may also be reduced if your adviser selects a lower level of commission.

You can also refer to the MetLife Premium Guide for the full list of Premium rates or obtain a premium estimate by calling our Client Services team on **1300 134 669**.

Examples:

1. 40 year old Male Non-Smoker selects Term Life Cover for \$300,000.

The rate is: 0.95

To calculate: $0.95 \times 300 = \$285 + \65

Total premium = \$350 per annum

2. 35 year old Female Non-Smoker selects Term Life and Trauma Cover for \$500,000 (a 10% discount applies for sums insured above \$500,000).

The rate is: 0.62 for Term Life Cover 1.77 for Trauma Cover

To calculate: $(0.62 \times 500) + (1.77 \times 500) \times 0.90 + \65
 $= (310) + (885) \times 0.90 + \65

Total premium = \$1140.50 per annum

3. 30 year old Male Smoker Selects Term Life and TPD cover for \$200,000.

The rate is: 1.11 for Term Life

0.50 for Total and Permanent Disablement

To calculate: $(1.11 \times 200) + (0.50 \times 200) + \65

Total premium = \$387 per annum

The example premiums are based on the life insured being in an occupational class of Clerical/Administration/Managerial in a pure office environment.

If you are paying by instalments:

Monthly – add 6% to the Total Premium (as above) and divide by 12.

Half yearly – add 3% to the Total Premium (as above) after the policy fee has been added and divide by two.

These premiums are indicative only and different premiums may apply to you depending on your individual circumstances and product option selections.

Taxation information

Under most circumstances life insurance policies to individuals are not assessable for income tax purposes and the premiums are not tax deductible. However, benefits may be taxable and premiums may be tax deductible where the insurance is held for business purposes.

As this information is based on current interpretation of relevant legislation, it is recommended that you seek advice from a suitably qualified professional in relation to your own circumstances.

Goods and Services Tax (GST) does not currently apply to your insurance premiums. If Parliament alters the tax law, we reserve the right to increase premiums or charges to reflect any applicable GST or any other Government taxes and charges that may be introduced.

Cooling-off period

After you receive your Policy Document and Policy Schedule you have 19 days to cancel your insurance and receive a full refund of any premiums that may have been paid.

Exclusions

No life cover benefit shall be payable where the claim arises out of or in connection with any self inflicted injury within 13 months of the commencement or reinstatement date.

No trauma or TPD benefit will be payable where the claim arises out of or in connection with any self-inflicted Injury.

The trauma benefit will not be payable where the Life Insured is unable to survive for a period of 14 days after experiencing the event covered under this Policy.

If you hold a Term Life Policy, MetLife will triple your Advance Funeral Benefit Payment (of \$10,000) should you die from an accident after your 3rd Policy Anniversary Date.

For the purpose of this benefit Death must:

- Result from accidental bodily injury caused by violent, external and visible means.

Customer Loyalty Benefit = \$20,000

Remainder of Life Cover = \$90,000

Total = \$120,000

This example is indicative only and different benefits may apply depending on your individual circumstances and product option selections.

How many can apply?

Up to two people to be insured under the one policy. Only one policy fee applies (for information on the policy fee, please see page 6 of this PDS).

How benefits are paid

Any benefits payable under Simply Life are payable to the policy owner. If you are both the life insured and policy owner, your death benefit is payable to your estate.

Cancellations

You may cancel your insurance at any time by giving notice in writing to us. Such cancellation will be effective from the next premium due date and there shall be no entitlement to a pro rata refund of premium.

Your insurance will be cancelled by us if the premium or any instalment of premium has not been paid within 30 days of its due date.

Guarantee of upgrade

If features of this product are enhanced in the future, your policy will be automatically upgraded to reflect these enhancements. This will occur on your policy anniversary date.

Amount of cover

The amount of cover selected (by you) and accepted (by us) is your 'Sum Insured'. This amount will be shown on your Policy Schedule which will be issued to you after we have accepted your policy.

Increasing your cover

You can apply to increase your cover at any time. These increases are subject to our agreement, including meeting our financial and medical requirements and maximum policy limits.

Consumer Price Index (CPI) adjusted cover

To counter the effects of inflation on your cover, we will automatically increase your sum insured each year, in line with any increases in the CPI, unless you select otherwise. CPI increases are available each year until your policy expires. However, no increase will apply if it would cause the sum insured to exceed \$1million.

Payment under this benefit will be limited to 10% of your Sum Insured, up to a maximum of \$25,000. Your trauma Sum Insured will then be reduced by the amount paid for Coronary Artery Angioplasty.

‘Coronary Artery Bypass Surgery’ means coronary artery bypass graft surgery performed in an open heart operation for coronary artery disease causing inadequate myocardial blood supply but does not include laser therapy angioplasty or any other intra-arterial procedure.

Angiographic evidence, indicating at least 50% obstruction of three or more coronary arteries, is required to confirm the need for this procedure. In the opinion of an appropriate consultant medical specialist, the treatment must be required on medical grounds and must be the most appropriate treatment.

To be eligible for Coronary Artery Angioplasty Triple Vessel you must have a minimum trauma sum insured of \$100,000. Payment under this benefit will be limited to 10% of your trauma Sum Insured, up to a maximum of \$25,000. Duty of Disclosure (Insurance Contracts Act, 1984)

Your Duty of Disclosure

Before you enter into a contract of Life Insurance with an insurer, you have a duty, under the Insurance Contracts Act 1984, to disclose to the insurer every matter that you know, or could reasonably be expected to know, is relevant to the insurer's decision whether to accept the risk of the insurance and, if so, on what terms.

You have the same duty to disclose those matters to the insurer before you vary or reinstate a contract of life insurance.

Your duty however does not require disclosure of a matter:

- that diminishes the risk to be undertaken by the insurer;
- that is of common knowledge;
- that your insurer knows or, in the ordinary course of business, ought to know;
- as to which compliance with your duty is waived by the insurer.

Non-disclosure

If you fail to comply with your Duty of Disclosure and the insurer would not have entered into the contract on any terms if the failure had not occurred, the insurer may avoid the contract within 3 years of entering into it. If your non-disclosure is fraudulent, the insurer may avoid the contract at any time.

An insurer who is entitled to avoid a contract of life insurance may, within 3 years of entering into it, elect not to avoid it but to reduce the sum that you have been insured for in accordance with a formula that takes into account the premium that would have been payable if you had disclosed all relevant matters to the insurer.

Please note: that your Duty of Disclosure continues until a Policy has been issued.
