Important information

Frequently asked questions

Here are some common health insurance terms. For more details read our *Member Guide*.

Q. What is a benefit?

A. This is the amount you get back from us to help with the cost of your treatment.

Q. What is a waiting period?

A. This is a set amount of time you must wait before you can claim any money back for a service included on your cover. All health insurers have waiting periods, which apply when you first join (or rejoin after some time without health insurance) or when you change to a higher level of cover or one with additional services.

Q. What is an annual limit?

A. An annual limit is the total amount you can claim towards a service in a financial year (1 July - 30 June). However some benefits for Super Extras are based on a rolling year, which begins on the date a service was first provided with the limit applying to that 12 month period following the date of the first service.

Each person on your cover can claim up to the 'per person' limit for the claiming period.

Some services also have a lifetime limit. Once you've reached this limit you can no longer claim that benefit in any future year of membership, even if you change your cover.

Q. What is an ahm recognised provider?

A. It's important that we recognise service providers so that you receive quality health care from the provider you choose. Recognising a provider means we get specific details and credentials from them to make sure they meet both legislative and our criteria for benefit payment. All service providers must be recognised by ahm Health Insurance before we can pay benefits.

To find out if your service provider is recognised by us call 134 246 or use the online provider search tool at ahm.com.au/find-a-provider

Q. What is the Pharmaceutical Benefits Scheme (PBS)?

A. This is a Government scheme that subsidises the cost of prescription medicine.

Please note

Cooling off period

If you cancel your cover within 30 days of joining and haven't claimed a benefit during this period, you're entitled to a full refund.
