What you pay when you go to hospital

For more details about this read our *Member Guide*.

First Step excess

At ahm, an excess is a lump sum payment that you agree to pay towards your hospital stay or day surgery on admission.

You'll have to pay this directly to the hospital and in most cases they will require this on admission.

The excess applies to each person on your cover and is capped at \$500 per person or \$1,000 per couple each membership year.

What you pay:	\$500 per person on the first admission to hospital in a membership year
Limits per membership year:	\$500 per person / \$1,000 per couple

There might be a medical gap

The benefit we pay towards medical services is based on the Medicare Benefits Schedule (MBS). If a service is listed on the MBS and included on your cover, Medicare will pay 75% of the MBS fee and we'll pay 25%. A doctor may choose to charge more than the MBS fee. This may leave you with an out-of-pocket expense you have to pay. This is the 'medical gap'.

How GapCover can help

GapCover can help reduce or remove the medical gap. If your doctor chooses to participate in GapCover, we'll provide benefits up to an agreed fee and then you'll have to pay the difference. Under GapCover, the maximum gap that you'll have to pay is \$500 per claiming provider (ie doctor's account). Search online for doctors who've previously registered to participate in GapCover at ahm.com.au/find-a-doctor. You should always check with your doctor before agreeing to treatment.

Extras

As long as it's an included extras service, ahm First Step will pay 70% of what you pay, up to your annual limit.

It works like this

Your prescription glasses cost \$200		Your Dentist charges \$300	
You pay \$60	We pay \$140	You pay \$90	We pay \$210

Important information

Frequently asked questions

Here are some common health insurance terms. For more details read our *Member Guide*.

Q. What is a benefit?

A. This is the amount you get back from us to help with the cost of your treatment.

Q. What is a waiting period?

A. This is a set amount of time you must wait before you can claim any money back for a service included on your cover. All health insurers have waiting periods, which apply when you first join (or rejoin after some time without health insurance) or when you change to a higher level of cover or one with additional services.

Q. What is an annual limit?

A. An annual limit is the total amount you can claim towards an extras service in a financial year (1 July - 30 June). Each person on your cover can claim up to the 'per person' limit for the claiming period. Orthodontics also has a lifetime limit. Once you reach this limit you can no longer claim that benefit in any future years of membership, even if you change your cover.

Q. What is a pre-existing condition?

A. This is any kind of condition or illness that you had the signs or symptoms of (in the opinion of ahm's appointed Medical Practitioner) in the 6 months before you joined private health insurance or changed your cover.

Q. What is a membership year?

A. The annual period commencing on the date that the member or dependant joins an ahm cover, or changes to a new ahm cover covering hospital treatment, and renews every year on that date.

Q. What is a partner or agreement hospital?

A. This is a hospital or day surgery where you'll be covered for the agreed theatre and accommodation charges for services included on your cover. Search online for a partner hospital or day surgery at ahm.com.au/hospital-network. If you're treated at a non-agreement hospital or day surgery we'll only pay a limited benefit and you'll be significantly out-of-pocket.

Q. What is an ahm recognised provider?

A. It's important that we recognise service providers so that you receive quality health care from the provider you choose. Recognising a provider means we get specific details and credentials from them to make sure they meet both legislative and our criteria for benefit payment. All services providers must be recognised by ahm Health Insurance before we can pay benefits. To find out if your service provider is recognised by us call 134 246 or use the online provider search tool at ahm.com.au/find-a-provider

Q. What is the Medicare Benefits Schedule (MBS)?

A. This is a list of fees issued by the Australian Government that sets out the minimum amounts that Medicare and private health insurers should pay towards each medical service listed.

Please note

Cooling off period

If you terminate your cover within 30 days of joining and haven't claimed a benefit during this period, you're entitled to a full refund.
