Your health is high maintenance. Or perhaps you just like peace of mind. Either way, you want it all. Head to toe coverage, lots of treatment types and big limits. Lots Extras could be for you!

**80% Benefit:** An 80-20 split. That's what 80% benefit gets you. Frank will pay 80% of what your treatment costs. You pay the other 20%.

An example: You get your back cracked at the chiropractor. They charge you \$40. Frank gives you \$32 towards the cost. You pay the other \$8.

All extras services must be provided by practitioners in private practice who are appropriately registered bodies approved by Frank

### Things Frank won't pay on

There are times when Frank won't pay on certain items or may pay a lower benefit. Having a filling performed on a tooth that has already been extracted for instance, fairly routine stuff. The list of reasons Frank won't pay on items is fairly long and makes Frank seem a bit mean. If you would like review the list it can be found by [clicking here](#)

### How to Claim

#### HICAPS

If your provider has HICAPS you can simply swipe your Frank card and we will pay any eligible benefits on the spot.

#### Online

Some providers don't have HICAPS, that's ok! Pay the bill in full after you have received the service and you can claim online whenever it suits you. The benefit will be paid into your nominated bank account within 24-48 hours.

#### E-Mail

If you're getting orthodontic work done you will need to scan and email a copy of the claim in to Frank. Frank lives online; it's one of the ways we keep our costs down. If you can't process a claim online you can send it in to Frank, it may take longer to get your benefit paid though.
