Things Frank won't pay on

There are times when Frank won't pay on certain items or may pay a lower benefit. Having a filling performed on a tooth that has already been extracted for instance. The list of reasons Frank won't pay on items is fairly long and makes Frank seem a bit mean. If you would like review the list it can be found by clicking here

How to Claim

HICAPS

Online

E-Mail

If your provider has HICAPS you can simply swipe your Frank card and we will pay your benefits on the spot.

Some providers don't have HICAPS, that's ok! Pay the bill in full after you have received the service and you can claim online whenever it suits you. The benefit will be paid into your nominated bank account within 24-48 hours.

If you're getting orthodontic work done you will need to scan and email a copy of the claim in to Frank.

Frank lives online; it's one of the ways we keep our costs down. If you can't process a claim online you can send it in to Frank, it may take longer to get your benefit paid though.
