Thank you for not getting muddle with comparethemeerkat.com.au

It is much appreciate!

Need assistance? Call **1800 46 29 55** 

# **Bronze Hospital**

BHO, BH1 & BH2- \$0, \$250 & \$500 annual excess

### This information is important, please read and retain for future reference.

Bronze Hospital is an affordable, basic level of cover for treatment as a private patient in a public hospital. Bronze Hospital gives you a reduced premium because certain treatments and services are excluded.

### What is covered in a public hospital?

You are covered¹ for accommodation costs when you're admitted to a shared room in a recognised public hospital, less any applicable excess. This is for services not listed under 'exclusions' and is subject to bed availability.¹ As a private patient in a public hospital you may have the choice of doctor if that doctor is available and has the rights of private practice at that hospital. Depending on the situation this may or may not be the same doctor who would have been allocated to you by the hospital as a public patient.

Bronze Hospital cover does not help you to avoid public hospital queues. The length of the public hospital queue is determined by the hospital and are not influenced by GMHBA.

### What is covered in a private hospital?

This product is not recommended if you need to be admitted into a private hospital. For services not excluded fixed default benefits will be paid towards accommodation in a private hospital. The benefit depends on the type of treatment, accommodation or surgery received and length of the hospital stay. Additional private hospital costs such as theatre and delivery suite charges are not covered through Bronze Hospital, which will result in significant out of pocket expenses.

### **Additional benefits**

In both public and private hospitals, Bronze Hospital cover includes benefits for:

- ✓ Medical gap.
- ✓ Surgically implanted prostheses (Government Prosthesis List group benefits).<sup>2</sup>
- ✓ Nursing home type patients Government prescribed benefits are available towards non-acute hospital care.

### **Exclusions**

You are not covered (excluded) for:

- Haemodialysis.
- Gastric banding and all obesity surgeries.

### **Excess options**

You can reduce your premium by selecting one of the following calendar year excess options:

Excess Options Table	Level 0 Excess	Level 1 Excess	Level 2 Excess
Maximum annual excess – per person	nil	\$250	\$500
Maximum annual excess – singles	nil	\$250	\$500
Maximum annual excess – families	nil	\$500	\$1,000
Waived for dependants under 21	No	No	No

Excess - GMHBA Health Insurance's range of hospital covers often feature an excess to let GMHBA Health Insurance member share some of the cost of hospital admissions in return for lower premiums.

Excess - Hospital only - An excess is deducted from the benefit paid by GMHBA Health Insurance. For example, if GMHBA Health Insurance's full benefit for a hospital stay was \$5,000 and the member has a \$250 excess on their hospital cover, the benefit would reduce by the amount of the excess and an adjusted benefit of \$4,750 would be paid to the hospital.

<sup>&</sup>lt;sup>1.</sup> Limited benefits may apply to cosmetic surgery and high cost drugs. Drugs purchased outside of the hospital are not included. You may be subject to doctor's waiting lists in a public hospital. Default benefits are paid for all public hospital episodes.

<sup>&</sup>lt;sup>2.</sup> Benefits are no higher than the No Gap Government prescribed benefit.

Where one member of a couple, family or single parent excess cover is admitted to hospital they will only pay a maximum amount per person as opposed to the maximum amount per membership. This is usually half the maximum annual excess per policy.

### What is medical gap cover?

GMHBA's medical gap cover is a billing system that provides higher benefits than the scheduled fee which will reduce or even eliminate your out-of-pocket costs for doctor or specialist fees when treated in hospital.

### **Bronze Hospital medical gap**

In the event that your doctor chooses to use GMHBA's medical gap cover and where the actual fee for the anticipated service is greater than the Medicare Benefits Scheme (MBS) fee, an additional medical gap benefit will be paid equal to 20% of the MBS fee for each service. Additional medical gap benefits may not be payable towards the cost of imaging or pathology services.

### Our medical gap cover options

If your doctor or specialist is one of more than 14,000 who choose to participate in GMHBA's medical gap cover system, two options are available for our hospital products:

### Option 1 – Known Gap

Your doctor chooses to use GMHBA's medical gap cover system and charges a known patient gap (an amount higher than the scheduled fee). To participate, your doctor must inform you in writing of the cost of the anticipated services, the Medicare and GMHBA benefits and the patient gap before any treatment commences. They must bill us directly for the GMHBA and Medicare benefits. We will arrange to pay these benefits direct to your doctor and all you will need to pay is the known gap.

### Option 2 - No Gap

If your doctor chooses to use our medical gap cover and not charge a patient gap, your GMHBA benefit and the Medicare benefit will fully cover the doctor's charges. In these instances, your doctor will bill us directly and you will pay nothing.

### **Waiting periods**

Waiting periods exist to protect members from claims made by those who join the fund or increase their level of cover because they have an ailment or illness that may require treatment.

Waiting periods will apply to:

- New memberships (previously uninsured).
- Additions to a membership (unless the addition/s has already served all waiting periods with GMHBA or another fund) except newborns, adopted and permanent foster children where the family membership has been in existence for at least 2 months.
- Existing GMHBA memberships, and transfers to GMHBA from another fund where the level of cover and/or benefit entitlement is upgraded or increased and/or where the waiting periods have not been completed.

### **Pre-existing conditions and waiting periods**

Waiting periods apply to new members who have a pre-existing condition. The waiting period also applies to existing members who have recently upgraded their level of hospital cover.

If the ailment, illness or condition is considered pre-existing:

- New members must wait 12 months for any hospital benefits.
- Members transferring/upgrading to a higher hospital cover must wait 12 months to get the higher hospital benefits. Existing members with at least 12 months membership in total across their old and new cover are entitled to the lower benefits on their old cover.

### **Health programs**

- Health and Wellbeing programs
- ✓ Chronic Disease Management
- ✓ Best Doctors

### Find out more

If you're planning treatment or a hospital admission, please call us to discuss your options to ensure you're covered and have served all relevant waiting and benefit limitation periods.

For further information please call 1300 446 422, visit your local branch or gmhba.com.au.

## Why **compare**the**market**.com.au?

It's simple; we're here to help you save time and money off your next household bill. One quick search with **compare**the**market**.com.au can bring you results from some of Australia's award winning insurance and utility brands, so you can compare them side-by-side. We don't mark up policies, so if you do choose to purchase a product or service, you'll only be charged the provider's premium or fee.
