## **Gold Extras**

# GE (Closed to new members)

### This information is important, please read and retain for future reference.

Gold Extras provides a high level of cover on a wide range of services with generous benefits and annual limits.

### **Waiting periods**

Waiting periods exist to protect members from claims made by those who join the fund or increase their level of cover because they have an ailment or illness that may require treatment.

### Waiting periods will apply to:

- New memberships (previously uninsured).
- Additions to a membership (unless the addition/s has already served all waiting periods with GMHBA or another fund) except newborns, adopted and permanent foster children where the family membership has been in existence for at least 2 months.
- Existing GMHBA memberships, and transfers to GMHBA from another fund where the level of cover and/or benefit entitlement is upgraded or increased and/or where the waiting periods have not been completed.
